500 GERRY BUCKLES  
(HUGHES'S SEEDLING) of which Henry Little, Esq. of Bangor, after naming twenty-three varieties that he had imported, says: "All the above I consider very good; but there is an American hybrid sort called Houghton's Seedling, which I prefer to any of the imported varieties." He also says, that it unites more good qualities than any other within his knowledge, and that he never knew it to mislead in any instance. It is a very rapid grower and a great bearer. Also, White Dutch Currant and Yellow Antwerp Raspberry Bushes and Grape Vines. All the trees above named are warranted to be in a healthy condition. Those who wish to purchase trees are requested to call soon as there is no time to repeat their immediate removal.

Many persons suffer severely by sore or weak eyes. The reflection of the sun on the snow almost blinds them, their eyes water when they are exposed to a slight wind, or have to travel or ride in the open air, a strong light blinds them, they suffer a smarting, burning sensation, as if dust was thrown in the eye, they are unable to read or write by gas or lamp light. All these troubles can usually be remedied by the use of
